## 2 West Kinney Tenant Meeting

The meeting was open by the president, We then had old business. It was voted on to have dues at three dollars a month. Frank told the president to notify the office and let them know that the tenant group is a part of the Greater Newark H U D Tenant coalition. He also spoke on passing out tenant survey sheets to all tenants and explain how to fill them out. The group was told to set up a by-law committee. Frank told the members that their duties are to make sure that the officers perform. He spoke on how everyone needs to work together he told them to have floor captains and the importance of them. He gave a description of floor captains. He spoke about the G. N. H.T. C. monthly meetings and the National meeting He said that the tenant's need to be able to come together and listen. Frank told them how the manager of the building might try to interfere with their meetings. There was a complain about the building not being heated evenly, some people do not get enough heat. Some of the tenant's are leaving the door open so that people from the street that do not live there can come in. Frank said that they need to have someone from the police dept. come in and talk to the tenant's. The meeting was adjourn.
